

GUARDIA

Guardia's family have slim profile yet robust design makes it ideal for harsh exterior applications, best asymmetric forward throw optics in market place, far-ahead in their class in efficiency and performance, available in two sizes and 5 different wattages makes it suitable for all sorts of exterior areas, IP66 sealed with gasketed and high resistance to corrosion, IK08 rated with 5 joules of impact testing.

Material- Die-cast aluminium

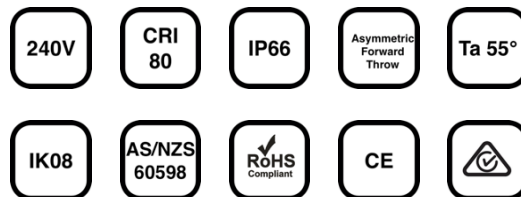

Finish- Silver standard, black as an option

Efficacy- 125LM/W

Input voltage- 240V 50/60Hz

Dimming- 1-10V, DALI or photocell

Life: 50,000 Hours L70
